DETAILED ACTION

Claims 1 and 3-12 are allowed.

The prior arts of record fail to teach the combination of placing an unfired ceramic core having a molded core shape and having an organic binder on at least one setter, and removing said at least one setter and said unfired ceramic core having softened organic binder.

The prior art of record discloses removing the entire binder before removing from oven, whereas applicant's invention pertains to having the softened organic binder after baking.
